DIRECTIONS

By Car From M1 and M69

Exit at junction 21 of the M1 (the end of the M69). Leave the roundabout towards Leicester and move to the near side lane. Take the first slip road off, signposted Leicester Ring Road A563. At the next roundabout turn right onto the A563 signed Leicester North and West. Continue straight on this road for approximately 7 miles as indicated on the map. The hospital can be seen on the left hand side as you go down the hill towards the traffic lights at Scraptoft Lane. Turn left on Scraptoft Lane and then left again into the hospital grounds.

Alternatively, you may find it speedier to travel to Junction 21A of the M1 and take the Western Bypass (A46). Continue on the A46 until you reach a roundabout (by the Hobby Horse Pub). Turn right off this roundabout on the A607, signed Leicester. Travel along this road, over a roundabout, until the traffic lights at the junction with the Leicester Ring Road (A563). Turn left at this junction and continue over two roundabouts until you reach the traffic light at Scraptoft Lane, where you turn left and then left again into the hospital entrance.
